

GREEN ENERGY RATE SCHEDULE – “GE”

Available: To all customers of the District.

Applicable: To any service billed a monthly energy charge.

Rate: "GE" \$19.00 for each monthly increment of 1,000 kilowatt-hours
(Appears on customer's statement as Green Energy)

Minimum: \$19.00 per month regardless if total usage is less than 1,000 kilowatt-hours.

Terms and Conditions:

1. Minimum application of this rate "add" is 12 months and requires a written service contract executed by the customer and the District.
2. The "GE" rate will be added to the customer's bill the month following the request.
3. The "GE" adder is subject to all late payment penalties as well as all applicable state and local sales taxes, lease fees, franchise fees, etc. unless a valid tax exemption certificate is on file for that service.
4. Service thereunder is subject to the District's Rules and Regulations pertaining to service of the rate to which this adder is attached.

Effective: With bills rendered after
January 1, 2015

Approved: Board of Directors 12/10/2014
