

RURAL RESIDENTIAL AND FARM SERVICE

Available: At points on the District's existing distribution facilities located in rural areas.

Applicable: To single family private dwelling units, including adjacent farm buildings, and for other ordinary farm use where service is supplied through one meter. Not available for crop irrigation.

Character Of Service: Alternating current, 60 cycles, single and three-phase, at nominal voltages of 120 or 120/240 volts.

Rate: "RR"

Monthly Energy Charge

	<u>Winter</u>	<u>Summer</u>
First 50 kWh or less	\$19.00	\$19.00
Next 250 kWh @	10.25¢	10.9¢
Balance @	7.6¢	10.9¢

Minimum: \$19.00 per month

Annual Three-Phase Service Charge: In addition to the monthly energy charges above, three-phase services or combination services shall be billed an annual service charge based on the three-phase kVa requirement at \$3.25 per kVa, but not less than \$65.00. This charge is for three-phase facilities not to exceed ¼ mile of construction. Construction beyond ¼ mile will be at sole expense of the customer. This service charge will be billed on September 1 of each year.

Minimum: Annual minimum under this rate shall be \$15.00 per installed kVa per year exclusive of any applicable **annual three-phase service charge and area coverage adder**, or \$228.00, whichever is greater.

RURAL RESIDENTIAL AND FARM SERVICE

Terms and Conditions:

1. Customers under this rate schedule shall be required to read their electric meter once a month and return the reading to the District.
2. The District, at its option, shall determine the maximum and/or minimum size of single and three-phase motor installation.
3. Single-phase service shall not be extended beyond one-fourth (1/4) mile unless the extension is for service to a year-round farm, home, or commercial service (Area Coverage Policy #7.01). Construction beyond one-fourth (1/4) mile shall be at the sole expense of the customer.
4. If a single meter serves more than one single family dwelling unit, each having separate kitchen facilities, this schedule may be applied through mutual agreement between customer and the District by multiplying the monthly energy charge and the number of kWh in each block by the number of dwelling units so served. Otherwise, the General Service Schedule will apply.
5. If service on this rate is taken for less than twelve (12) months, customer shall be subject to the provisions of Section 9, "Extension of Distribution Lines and Charges to Short Term Customers", as set out in the District's Rules and Regulations.
6. Nebraska state sales tax shall be added to all taxable charges unless a valid tax exemption certificate is filed by customer.
7. Service thereunder is subject to the District's Rules and Regulations as established by its Board of Directors.
8. Summer Rates shall apply to bills rendered between June 15th and October 15th.

Winter Rates shall apply to the remaining bills for the year.

Effective: With bills rendered
after January 1, 2015

Approved: Board of Directors 12/10/2014
