

VILLAGE RESIDENTIAL SERVICE

Available: At points on the District's existing distribution facilities located in villages and to residential customers residing in approved platted subdivisions.

Applicable: To single family private dwelling units supplied through one meter for domestic purposes.

Character of Service: Alternating current, 60 cycles, single-phase, at nominal voltages of 120 or 120/240 volts.

Rate: "RV"

Monthly Energy Charge:

		<u>Winter</u>	<u>Summer</u>
First	50 kWh or less	\$19.00	\$19.00
Next	250 kWh @	10.25¢	10.9¢
Balance		7.6¢	10.9¢

Minimum: \$ 19.00 per month.

Terms & Conditions:

1. When an incorporated community charges the District a franchise, occupation, business sales, license, lease fee for facilities owned by the community, or any similar charge, the District on a pro rata basis will charge all customers served within the community or served from the facilities owned by the community an equal charge. The amount shall be considered an operating expense of the District and shall become a part of the total bill for electric service furnished.
2. If a single meter serves more than one single family dwelling unit, each having separate kitchen facilities, this schedule may be applied through mutual agreement between customer and the District, by multiplying the initial charge and the number of kWh in each block by the number of dwelling units so served; otherwise the General Service Schedule will apply.
