

SCHOLARSHIP INFO

3-STEP APPLICATION

Southern Public Power District is offering scholarships to high school seniors who plan to attend an accredited school to begin a utility line training program.

The awards range in value according to the student's chosen program. Students attending a 1-year program at an accredited school are eligible to apply for a **\$2,500** scholarship, and 2-year program students are eligible for a **\$3,000** scholarship.

If you currently reside in Adams, Franklin, Hall, Hamilton, Kearney, Merrick or Phelps Counties in Nebraska, you may apply. You must also agree to serve a 12-week summer internship with Southern in cooperation with the school you are attending.

If you are awarded a scholarship for a one-year program, the scholarship will be paid directly to you following the successful completion of your utility line study program. If you are awarded a two-year scholarship, half of the scholarship will be paid directly to you following the successful completion of your first year of the utility line study program. The second half of the scholarship is awarded following graduation.

If you are committed to becoming a skilled, safety-conscious, highly motivated lineman who would like the opportunity to work for Southern, we want YOU to apply for this scholarship. If you are in high school, we also welcome you to "shadow" one of our linemen for a day to find out if a lineman career is for you. Please call Shannon Peard in Southern's Grand Island office at (800) 579-3019 if you are interested.

SPPD reserves the right to limit the number of scholarships granted each year.

Box 1687, Grand Island, Nebraska 68802-1687. Email submission: speard@southernppd.net

Southern Public Power District Is Seeking Feet to Fill These Boots!

If You Want YOUR Feet to Be In Those Boots, We Hope You Will Throw Your Name Into This Hat for Our Scholarship Program!

ABOUT SOUTHERN POWER DISTRICT:

Southern Public Power District is a publicly-owned electric distribution system providing retail electric service to over 27,000 residential, irrigation, commercial and industrial customers in south central Nebraska.

With 100 full-time employees, Southern operates over 7,100 miles of lines that are served by 80 substations. The District's 4,028 square mile service area extends through seven counties: Adams, Franklin, Hall, Hamilton, Kearney, Merrick and Phelps.

Our service territory is divided into five service areas, and is headquartered in Grand Island, Nebraska.
