

COMMERCIAL CHARGER APPLICATION FOR ELECTRIC VEHICLE CHARGING STATION

Incentives are available for the installation of an electric vehicle charging station (public or workplace). These incentives reimburse 50% of the cost of the equipment needed (based on two bids) to install and operate an EV charging station, Level 2 or Level 3 (DCFC). Incentives will expire in 90 days if proof of installation is not received. Contact Chad Pinkelman at 402-710-1410 or 402-563-5084; or email cjpinke@nppd.com with any questions.

1. **Customer Name:** _____ Electric Utility: _____
Account Number: _____ Telephone Number: _____
Address, City, ZIP: _____
Installation Address & City (if different from above): _____
Email Address: _____

By signing below, customer agrees to the Terms and Conditions listed on the back of this application.

Customer: _____
Print Name Signature Date

2. **Two Bid Details**, provided to Utility: (attached)

Bid 1: Name: _____ Amount _____
Bid 2: Name: _____ Amount _____

3. **Grant / Other Money Received:** _____

4. **Submit this application to your local utility for approval.**

For Utility Use Only: Incentive amount: _____
Approved by: _____
Print Name Signature Date
Expiration Date: (Proof of EV Charger installation must be provided within 90 days) _____

5. **Application will be returned to customer with expiration date.**

6. **After equipment has been installed**, complete sections below and return to utility for incentive processing.

7. **Installed By:** Company Name: _____ Phone #: _____
Address, City & ZIP: _____
Installed by: _____
Print Name Signature Date

8. **Equipment Installation Information:**

Conduit Size: _____ Conductor Size: _____ Conductor Length: _____ Charger: _____

Photo(s) of Installation included:

By signing below, customer agrees to the Terms and Conditions listed on the back of this application.

Customer: _____
Print Name Signature Date

9. **Submit this application to your local utility for approval.**

TERMS & CONDITIONS

BIDS FOR INSTALLATION COSTS: The pre-approval process includes acquiring two bids for eligibility of this incentive. The incentive will be based on the minimum of the accompanying bids. Details of each bid must be provided to Nebraska Public Power District to determine the incentive amount.

PROOF OF INSTALLATION: Documentation must include proof of equipment installation via electrical contractor signature of work completion, along with a photo of the installation. This photo can be submitted via mail or email. If this proof is not received within 90 days of the expiration date on the application, the application will be voided.

INCENTIVE OFFER: Details of this program, including incentive levels, are subject to change without notice. The electric utility reserves the right to limit incentives. Not available for equipment that qualifies under other EnergyWiseSM incentive programs. All incentives are subject to specific program guidelines. This incentive is only available to customers of Nebraska Public Power District (NPPD) and customers of its wholesale utilities.

ELIGIBLE EQUIPMENT: This incentive is for the installation of equipment for use with conductor for minimum ampacity of the following load per NEC (National Electrical Code) and/or the running of appropriate size conduit per NEC, from the load center to a future EV charging station. Example Load Requirements: Level 2: single phase, 240 volts, 32 amps per port. Level 3 (DCFC): 480V AC, 3-phase, 80A, 60 Hz. Exact requirements may vary.

QUALIFYING COSTS: Includes lowest costs of two bids regarding equipment procurement, installation and 7-year data plan. Adjustments due to changes in actuals costs will not be made. NPPD will provide documentation of our financial commitment to the customer after review of applications and estimates.

ISSUING INCENTIVES: The eligible equipment must be installed before an incentive is issued. Falsifying any information may lead to cancellation of this and future incentive applications, a claim by the electric utility for the return of any incentive, and/or referral for prosecution. Please allow 45 days for delivery of incentives. Submitting an application with incomplete or missing information may delay processing of the incentive.

APPROVAL & VERIFICATION: The electric utility reserves the right to verify sales transactions and projects prior to and after installation. NPPD reserves the right to stop or adjust the qualifications and/or program/incentive at any point.

DATA SHARING: Customer agrees to sharing the charging data they are obtaining with NPPD. including but not limited to: annual reporting regarding number of events, duration, downtime, etc.

TAX LIABILITY: Neither the electric utility nor Nebraska Public Power District are responsible for any tax liability imposed on the customer as a result of the EV charging station equipment.

ENDORSEMENT: Neither the electric utility nor Nebraska Public Power District endorses any particular manufacturers, products, or system designs in promoting this program.

DISPOSAL: The customer/contractor is responsible for the proper disposal and/or recycling of any waste generated as a result of this project.

SAFETY & BUILDING CODES: The customer/contractor agrees that each measure complies with all federal, state, and local safety, building, and environmental codes. All products must be UL-listed and installed per manufacturer's instructions.

DISCLAIMER OF WARRANTIES: Neither the electric utility nor Nebraska Public Power District warrant the performance of any equipment either expressly or implicitly. Contact the supplier or contractor for details regarding equipment warranties.
