## **TERMS & CONDITIONS**

**PROOF OF INSTALLATION:** Documentation must include proof of wiring or conduit installation via Electrician signoff of work completion on the payment application along with a submitted photo of the installation. This photo can be submitted via mail or email. If this proof is not received within 90 days of the registration application, the application will be voided.

**INCENTIVE OFFER:** This incentive program covers equipment during the program year in which it is purchased and installed. Details of this program, including incentive levels, are subject to change without notice. The electric utility reserves the right to limit incentives. Not available for equipment that qualifies under other EnergyWise<sup>SM</sup> incentive programs. All incentives are subject to specific program guidelines and general program guidelines.

**ELIGIBLE EQUIPMENT:** This incentive is for the installation of home pre-wiring with NM cable for minimum capacity ampacity of 32 Amps continuous load per NEC (National Electrical Code) or the running of appropriate size conduit per NEC, from the load center to a future NEMA 6-50 receptacle.

**ISSUING INCENTIVES:** Wiring or Conduit must be purchased and installed before an incentive is issued. Falsifying any information may lead to cancellation of this and future incentive applications, a claim by the electric utility for the return of any incentive, and/or referral for prosecution. Please allow 45 days for delivery of incentives. Submitting an application with incomplete or missing information may delay processing of the incentive.

**APPROVAL & VERIFICATION:** The electric utility reserves the right to verify sales transactions and projects prior to and after installation.

**TAX LIABILITY:** Neither the electric utility nor Nebraska Public Power District are responsible for any tax liability imposed on the customer as a result of the EV charging station home wiring.

**ENDORSEMENT:** Neither the electric utility nor Nebraska Public Power District endorses any particular manufacturers, products, or system designs in promoting this program. Equivalent products must be pre-approved by the electric utility and Nebraska Public Power District.

**DISPOSAL:** The customer/contractor is responsible for the proper disposal and/or recycling of any waste generated as a result of this project.

**SAFETY & BUILDING CODES:** The customer/contractor agrees that each measure complies with all federal, state, and local safety, building, and environmental codes. All products must be UL-listed and installed per manufacturer's instructions.

**DISCLAIMER OF WARRANTIES:** Neither the electric utility nor Nebraska Public Power District warrant the performance of any equipment either expressly or implicitly. Contact the supplier or contractor for details regarding equipment warranties.
