SIGNATURE OF APPLICANT _____ DATE _____

SIGNATURE OF SPOUSE/ROOMMATE _____ DATE _____

BILLING:

Bills are mailed monthly on or before the 1st and due in the office on the 15th. Payments received after this date will be charged penalties and delinquent notices may be sent.

SMART HUB (Look for the SmartHub icon at www.southernpd.com):

SmartHub is a customer self-serve solution that allows you to manage your Southern Power accounts with mobile and Web apps in a secure environment. With SmartHub you can:

- Make one-time bill payments with credit/debit cards or electronic checks without service charge.
- Set up recurring credit/debit card payments and/or ACH.
- Submit meter readings.
- Go paperless by opting out of receiving paper bills in the mail.
- Review past usage history (beyond the last 12 months that appears on your bill).

RECURRING CREDIT/DEBIT CARD PAYMENTS:

Save time and effort using this convenient method! After setting this option up under SmartHub, the account(s) you select will be paid on the 15th of each month from your card account with no service charge. Your bill will state "PAID BY CREDIT CARD".

ACH:

An electronic funds transfer payment can save you the effort of writing a check to pay your bill and paying for postage. After signing up, you will receive a billing notice that is marked "BANK DRAFT—DO NOT PAY". Fifteen days after the billing date, or the next banking day, your financial institution will transfer the amount due from your account to pay your bill.

ROUND-UP ENROLLMENT:

This program is an effort by Southern Power District customers to collect funds for local projects, such as community parks and playground equipment, community centers, volunteer fire department equipment, and more. Average contributions per account are about \$6 per year. More information is available at www.southernpd.com/roundup.

BUDGET BILLING (Only available after 12 months of customer history with on time payments):

This is an optional method you may choose to spread out your payments evenly throughout the year. We will establish your budget billing amount based on 12 months' consumption history and/or expectations for future consumption and any other applicable charges, divided by 11.

TAX EXEMPTION:

If this service qualifies for tax exemption, please contact the office for the proper tax exemption form.

For answers to all of your billing questions, please contact our Customer Services staff at 308-384-2350, or 800-579-3019.
