LEASED DISTRIBUTION - SCHOOLS

Power Factor: If the power factor for the month (determined at District's option by permanent test of not less than 30 minutes duration under conditions which the District determined to be normal) is less than ninety percent (90%) at the point of delivery, the kW billing demand will be increased by multiplying by 90% and dividing by the power factor expressed in percent.

Late Charge: Accounts where payments have not been received by the due date indicated on the bill shall be assessed a late payment charge as described in the District's "Customer Service Charges Rate Schedule".

Nebraska State Sales Tax: The Nebraska state sales tax shall be applied to all charges unless a valid tax exemption certificate is filed by the customer.

Municipal Lease Fee and/or Franchise Fee: When the District has an agreement to lease the electric distribution facilities of a village, the District agrees to pay the village a percentage of the revenue derived from the customers served from the facilities owned by the community. The lease or franchise amount shall be added to each customer's monthly bill.

Gross Revenue Tax Charge: Customers residing within the corporate limits of an incorporated town or village shall be charged 5% of the monthly bill as a gross revenue tax.

Service Regulations: Service under this rate schedule is subject to the District's Rules and Regulations.

Effective: With bills rendered
after February 25, 2018
